

KidCity Early Childhood At Home

Dear Parents,

Impact City Church and the KidCity Core Team have been working hard to make sure your kids continue to experience KidCity at home.

We have put together ***KidCity “Kare” packages*** with all the information you will need to have a similar experience at home that they receive each week in KidCity.

The Early Childhood package includes:

- Links to the website where the weekly videos and worship songs can be viewed.
- A coloring page for them to enjoy.
- A weekly craft to be completed with a parent to earn stars for shopping at our KidCity store.
- We have also included a few snacks for them to enjoy.

Incentives:

- Parents and children complete the craft together. Each completed craft will earn them 5 stars to use for shopping at the KidCity Store.
- Completion of all crafts will earn them a total of 15 stars to use for shopping during store day.
- At the end of the 3 weeks, KidCity will post on the Impact City Facebook page a time and date for the drive thru store, which is located in the Younger Elementary room. This will be a time for the kids to present their crafts or pictures of their craft pages to receive their stars. If picking up your child’s prizes isn’t an option, they will be able to save their stars for a future store day.
- The enjoyment of educating and worshipping God with your kids.

We love your kids and want to make sure they remain connected to God!
