

KidCity Elementary At Home

Dear Parents,

Impact City Church and the KidCity Core Team have been working hard to make sure your kids continue to experience KidCity at home.

We have put together ***KidCity “Kare” packages*** with all the information you will need to have a similar experience at home that they receive each week in KidCity.

The Elementary package includes:

- Links to the website where the weekly videos and worship songs can be viewed.
- A scripted object lesson, that goes along with the video, for you to enjoy with your kids.
- A weekly Challenge Card to earn stars upon completion.
- We have also included a few snacks for them to enjoy.

Incentives:

- Parents and children complete the Challenge Cards together, sign their names at the bottom, then earn stars to shop at the KidCity Store.
- At the end of the 3 weeks, KidCity will post on the Impact City Facebook page a time and date for the drive thru store, which is located in the Younger Elementary room. This will be a time for the kids to present their Challenge Cards and shop for toys. If picking up your child’s prizes isn’t an option, they will be able to save their stars for a future store day.
- The enjoyment of educating and worshiping God with your kids.

We love your kids and want to make sure they remain connected to God!
